

## Continuing Midwifery Education (CME) Record

Guide to completing the Continuing midwifery education record

### Method of learning can include

- Course attendance including webinar,
- Postgraduate study
- Online
- Independent learning e.g. research reflection

### Topic?

Use the title of the study session, course etc..

### Reflection

A brief reflection is required for your portfolio that demonstrates what you have learned and how you will incorporate this into your practice. This can be hard or soft copy

### Certificate filed

Another reminder to store your hard or soft copy certificate

### Number of hours

Keep a running total of hours here to ensure you make the minimum requirement

Date	Method	Topic (s)	Reflection written	Certificate Filed	Number of hours
					Total:
